

## IF CARBON ACCOUNTING AND REPORTING ARE PRIORITIES FOR YOU, AND YOU DO NOT HAVE THE RESOURCES TO PROPERLY MANAGE THEM, ADEC INNOVATIONS (ADEC) CAN HELP.

With experience scoring 20,000+ CDP disclosures globally since 2011, ADEC has the unique, proven capabilities to capture information from your supply chain, and manage and upload your carbon inventory, as part of a fully managed carbon data collection and reporting solution.

ADEC's unmatched expertise\* integrates into a customized carbon and climate change strategy to achieve better CDP and environmental performance, plus:

- cost savings
- business innovations
- improved efficiency
- lower emissions
- better relationships with customers, investors and other stakeholders.

ADEC fits into your existing strategies, working in conjunction with your existing software, systems and consultants to do the heavy lifting in the gathering, collection, standardization, compiling and reporting of your carbon and energy information across your entire supply chain.

### ADEC leads you through the entire process and helps you choose the solution that's right for you:

-  **Performance Review:** Our consultation will help you interpret your scores.
-  **Response Check:** ADEC uses a multi-step process to ensure your response is as complete as possible before you submit it to CDP. This high-level overview helps spot errors.
-  **Scoring Assessment:** ADEC runs your completed questionnaire through the CDP scoring process ahead of your formal submission, providing you with question-level scores and suggestions for improvement.
-  **Gap Analysis:** Our in-depth analysis identifies areas and activities that correspond with lost points, and recommends activities to increase your score.
-  **Data Collection & Analysis:** Our world-class software and data collection systems ensure your data, including Scope 3, is high quality, and easily interpreted and reported to CDP and other stakeholders.
-  **Disclosure Completion:** ADEC takes on the responsibility of completing your disclosure to CDP for you, to free up your internal resources for more strategic work.

\*In accordance with CDP's conflict of interest policy, ADEC does not provide official scoring services for any of our CDP consulting clients.
